FINDING 360° IMAGES
Teleport 360 by Thinglink
360° on Flickr
Equirectangular on Flickr

Aldo ADMIN

Please read the group guidelines before adding your photo(s) to the group pool! Only 360x180 equirectangular images are allowed. These images have a width:height=2:1 proportion. Non-equirectangular images will be removed from the pool.

Welcome to the 360° Images for Schools group! Please upload your spherical panoramics to your own Flickr account and add them to this group. Be sure to change your licensing to a Creative Commons Attribution - NonCommercial - Share Alike license (CC BY-NC-SA) and allow downloading!

This license allows others to remix, tweak, and build upon your work non-commercially as long they credit you and license their derivative works on the same terms.
