My Summer Vacation

I have had a busy summer vacation, and wanted to share a little of it with you!

In July, I presented at the [Lesley College Summer Technology Conference](#) held in Snowmass, Colorado. The participants in the conference were students taking an online Master's degree in Educational Technology, and, for most of them, this was the first time they had met face-to-face! There were numerous sessions conducted by exemplary presenters, and I learned all kinds of neat things by attending the other sessions!

In August, I attended and presented at the Midwest Internet Institute Conference in Lincoln, Nebraska. This was a two-day conference packed full with great sessions! I was able to hear Dan Buettner, Alan November, and Tammy Worcester present, which was quite a treat. I also met many dedicated and technology-savvy educators. [Here](#) are some pics from the conference.

I have also been hard at work on a new book for Linworth with my co-author, Midge Frazel. More information will be following soon!

S.O.S. Help for Busy Teachers

Discovery Channel School and I have launched a new feature for this school year called S.O.S. (Site of the School Day). This mailing list and Web page offer a pick-of-the-day Web site for you!

Subscribe to the listserv and get a brief message from me each and every morning! Visit the Web page to find out more....

Worksheets for Free!

As the new school year begins, you must check out this new site which offers over 2000 free worksheets to use with your class. Submit your own to them to make the site grow!

<http://www.freeworksheets.com/>

Palm Pilot Software

The "Pick-o-the-Month" for Palm Pilot software is YearCal. This shareware allows you to view four monthly calendars on the Palm at once, a handy feature at times! You can easily jump to any month in any year, too. Download it [here](#).
